The twilight fee is \$25 for members, and \$35 for non-members. Sign-up sheets will be posted in the Pro Shop weekly. Make sure to call in by 1:00 pm each Thursday.
- On-course construction plans have already begun this month. Those projects include repairing the drains on holes #5 and #6, root removal/pruning along the cart paths throughout the golf course, and grading/leveling banks along the cart paths. So far, 34 truck loads of dirt has been brought in to complete this project. Aaron, Thomas, and the guys are doing a tremendous job making improvements to the golf course each day. We look forward to what the course will begin to look like in the

coming weeks and months. Thank you guys for your hard work.
